August 2018

On behalf of the Chicago Dermatological Society (CDS) and its board of directors, I am writing to request your participation as an exhibitor for our upcoming conference on November 14, 2018. The exhibit fee for this meeting is \$1,750; exhibitors who register for at least three meetings in a fiscal year are offered a discounted registration fee of \$1,500 per meeting. Vendor displays are situated prominently to assure the opportunity to interact with our members, but in an area separate from the CME lecture room. In addition, of course, all exhibitors are recognized in our meeting materials.

The November monthly conference will be “hosted” by the Northwestern University Department of Dermatology, and it will take place at Gleacher Center in downtown Chicago. The meeting is accredited for Category 1 Continuing Medical Education credit. The speaker is Amit Garg, MD, Professor and the Founding Chair for the Department of Dermatology at the Hofstra Northwell School of Medicine and Northwell Health, Lake Success, NY. He will be delivering the annual Bluefarb Lecture.

Registration and the exhibit area begins at 8 a.m., and the lectures start at 9:00 a.m. The conference adjourns for the day at 2:00 p.m. Typical attendance is about 200 dermatologists (including about 50 dermatology residents). The primary mission of the Chicago Dermatological Society – as a not-for-profit organization incorporated in Illinois – is to provide educational opportunities for dermatologists in the Chicago area. We are tax-exempt under section 501(c)(3) of the Internal Revenue Code; our tax ID number is: 23-7056930.

Thank you very much for your consideration. If you need any additional information, please feel free to contact me at your convenience.

Sincerely yours,

Richard H. Paul
Executive Director
