**BUDGET DATA**

Provide a detailed budget as a separate attachment. Include a concise statement of how you propose to allocate funds (amount and for what purpose). Separately list each item of equipment with a unit acquisition cost of \$500 or more. Itemize supplies such as glassware, chemicals, and animals in separate categories. If animals are involved, state how many are used, their unit purchase cost, and their unit care cost. Clinical investigators should submit details of projected costs for laboratory tests, biopsies, medications, and related items. Summarize budget below.

"I certify that the statements in this application are true to the best of my knowledge. In the event that I receive simultaneous funds from other sources (except departmental funds of my sponsoring institution or National Institutes of Health training grants), I understand that my grant will be terminated as of the day I begin to receive such funds. I agree to immediately notify the Chicago Dermatological Society in writing and will return any unused award funds. I hereby agree to provide a written progress report to the Chicago Dermatological Society within 60 days prior to the termination of the grant."
