

## GRANT EVALUATION PROGRESS REPORT

Project Title: \_\_\_\_\_

Principal Investigator: \_\_\_\_\_

Person Submitting This Report: \_\_\_\_\_

Project Start-Up Date: \_\_\_\_\_ Planned Completion Date: \_\_\_\_\_

### **Progress Report:**

Please provide a 2-3-page summary of the project, giving an overview of the purpose and goals of the research, your findings thus far, and their significance. Additionally, please address each of the following questions specifically?

- Is the project proceeding as planned? Has anything occurred which was not anticipated? If so, please explain.
- Is your project adhering to the budget as outlined in the Grant Proposal? If not, please explain what changes have been made and submit a revised budget outline.
- Have you received additional funding for this research? If so, what is the source and amount of that funding?
- Will there be unused funds that remain upon completion of the project? If so, what is the anticipated dollar amount of the surplus money?
- Do the data support your hypothesis? If not, what is the implication, if any, on the completion of your project?
