

Meeting Schedule - 2019/2020

We are pleased to announce the meeting dates and locations for the academic year: September 2019 through June 2020. We look forward to seeing you there! When details for the meeting and registration are available, a link in the "Meeting" column below will be activated.

Special Notice -- Due to the public health concerns regarding the COVID-19 situation, it is possible some meetings may be changed. As of 3/13/2020, the April and May meetings now will be offered through an electronic "webinar" format. Details will be shared with CDS members as soon as they are available.

Exhibitors -- Companies interested in exhibiting at the CDS monthly conference -- [check here](#) for additional information.

Registration Procedures

- **CDS members** in good standing may use the automated online registration form set up for each meeting. See the information below for the particular meeting or go to the meeting details webpage to complete your registration.
- **Residents and fellows** at a Chicago area training program are automatically registered. (SIU and UW residents must register for each meeting either individually or through your department.)
- All **guests** must be registered. CDS board policy states that all **guests must be physicians**, and that the guest may register for one meeting, after which they are expected to submit an application for membership. The exception to this policy are research fellows who may be sponsored by one of the medical school dermatology departments; they still must pay the guest registration fee and sign-up for each meeting.
- **Medical students** sponsored by a dermatology department may attend as a guest, but they must be registered in advance. Sponsoring departments must use the online form posted on each meeting webpage. Medical students sponsored by a non-academic member may come as a "paid" guest using the paper guest form. To access the medical student registration form, [CLICK HERE](#)
